10th International FRUTIC Symposium

Quality and Safety of Fresh Horticultural Commodities

February 07, 2017

City Cube Berlin

in cooperation with

8|9|10 FEBRUARY 2017, BERLIN

WELCOME

We invite you to the 10th International FRUTIC Symposium in Berlin, on February 7, 2017.

FRUTIC provides the platform for research network on emerging technologies or current issues in the fresh produce industry. Topics capture technology advancement in production, harvest, postharvest, distribution and quality control of fruit, nut, and vegetables.

This event is to provide a concerted platform that brings together academic scientists and all the role players from fresh produce industry, to interact with each other for the purpose of information dissemination, sharing practical experience and developing road maps for the most effective way to reach the common goals.

Convenors

Dr. Martin Geyer - ATB Potsdam, Germany
Prof. Giancarlo Colelli - UNIFG, Italy
Dr. Pramod Mahajan - ATB Potsdam, Germany

FRUTIC will be organised in cooperation with **FRUIT LOGISTICA** Berlin.

8|9|10 FEBRUAR 2017, BERLIN

TOPICS

The FRUTIC Symposium on Quality and Safety of Fresh Horticultural Commodities will cover the following topics:

- Postharvest physiology
- Postharvest decay and physiological disorders
- Metabolomics for quality and safety
- Sensors for non-destructive assessment methods
- Spoilage and pathogenic organisms: biology and control
- Human pathogen detection
- Toxins and chemical residues
- Sanitation and disinfection
- Sensorial attributes
- Diagnostic kits
- Nutritional and functional attributes
- Volatile organic compounds
- Fresh produce supply chain
- Reducing postharvest losses
- Postharvest technologies (CA, MAP, cooling)
- Postharvest handling equipments (cleaning, sorting, grading, packaging)
- Shelf life assessment and prediction

REGISTRATION & SUBMISSION

Registration:

Registration open:	May 01, 2016
Early bird registration deadline:	Oct 01, 2016

Registration fees:

Regular, Early bird:	230 Euro
Regular (later than Oct 1, 2016):	330 Euro
Student, Early bird:	100 Euro
Student (later than Oct 1, 2016):	200 Euro

Registration fee includes welcome reception (advance reservation necessary), lunch and coffee breaks on Tuesday, Feb 07, 2017, and book of abstracts. It also includes free access to FRUIT LOGISTICA exhibition for the first two days.

Call for oral presentation and poster:

All participants are invited to submit their abstracts and indicate their preference for oral or poster presentation.

Deadline for abstract submission:	Nov 30, 2016
Notifications on abstract acceptance:	Dec 15, 2016

Selected presentations and posters will have the opportunity to be presented at the Science Forum during the FRUIT LOGISTICA.

For submitting an oral presentation or poster, please register first on our webpage:
