

TOPICS

The FRUTIC Symposium on Optimizing Water Use in the Supply Chain of Fresh Produce will cover the following topics:

- Irrigation and its influence on fruit quality
- Irrigation and measuring techniques
- Postharvest decay and physiological disorders
- Methodology for measuring the water status of produce
- Fresh produce supply chain
- Sensors for analyzing the water content of produce
- Thermal imaging
- Oxygenation
- Reducing postharvest losses
- Postharvest treatments (cooling, hot water)
- Postharvest handling equipments (cleaning, washing, slicing, sorting, grading, packaging)
- Food safety, hygienic treatments
- Waste water treatment
- Water footprint
- Shelf life assessment and prediction

KEY INFORMATION

Important dates:

Deadline for abstract submission Nov 15, 2017

Deadline Early bird registration Nov 15, 2017

Participants of the FRUTIC Symposium will have free access to FRUIT LOGISTICA exhibition for the first two days.

Where to register: www.frutic.atb-potsdam.de

Address of the venue: Messedamm 26, 14055 Berlin, Germany

Further information: www.frutic.atb-potsdam.de

Contact: frutic@atb-potsdam.de

11th International FRUTIC Symposium

Optimizing Water Use in the Supply Chain of Fresh Produce

February 06, 2018

City Cube Berlin

in cooperation with

7|8|9 FEBRUARY 2018, BERLIN

WELCOME

We invite you to the 11th International FRUTIC Symposium held in Berlin, on February 6, 2018.

FRUTIC provides the platform for research network on emerging technologies or current issues in the fresh produce industry. Topics capture technology advancement in production, harvest, postharvest, distribution and quality control of fruit, nut, and vegetables. This event is to provide a concerted platform that brings together academic scientists and all the players from fresh produce industry, to interact with each other for the purpose of information dissemination, sharing practical experience and developing road maps for the most effective way to reach the common goals.

Convenors

Dr. habil. Manuela Zude-Sasse - ATB, Germany
Nicole Brandes - ATB, Germany
Prof. Giancarlo Colelli - UNIFG, Italy
Dr. Martin Geyer - ATB, Germany

FRUTIC will be organised in cooperation with **FRUIT LOGISTICA** Berlin and sponsored by

Bezirksverein
Berlin-
Brandenburg

REGISTRATION & SUBMISSION

Registration:

Registration open: May 01, 2017
Early bird registration deadline: Nov 15, 2017

Registration:

	Fees
Regular, Early bird:	140 €
Regular (later than Nov 15, 2017):	280 €
Student, Early bird:	100 €
Student (later than Nov 15, 2017):	200 €

Registration fee includes lunch and coffee breaks on Tuesday, Feb 06, 2018, and book of abstracts. It also includes free access to FRUIT LOGISTICA exhibition for the first two days.

Call for oral presentation and poster:

All participants are invited to submit their abstracts and indicate their preference for oral or poster presentation.

Deadline for abstract submission: Nov 15, 2017
Notifications on abstract acceptance: Nov 30, 2017

Selected presentations and posters will have the opportunity to be presented at the Science Forum during the FRUIT LOGISTICA.

For submitting an oral presentation or poster, please register first on our webpage:

www.frutic.atb-potsdam.de

VENUE

The symposium will be held at City Cube Berlin located next to Messe Berlin, the exhibition ground of the FRUIT LOGISTICA.

The venue is in close proximity to the airport and city center - quick and easy to reach.

How to get there: www.citycube-berlin.de

Young Scientist Awards:

You are a young scientist (student or PhD student) and you aim for an oral presentation of your results at the FRUTIC symposium?

Five minutes to show highlights of your research.

Five minutes to convince.

Five minutes to win the award.

Please send us a mail, if you are interested.

Child care:

Child care at the conference venue is available for the children of participants of the FRUTIC symposium during day sessions, on February 6. Please let us know in advance, if you want to make use of this offer.
